TESTIMONIALS

5.0 ★★★★★ Google

Excellent service from start to finish! The team was professional, knowledgeable, and made the entire process smooth and stress-free. They installed a *5kW on-grid solar system* at our home and completed the installation on time with great attention to detail. Very happy with the results and highly recommend them for solar!

Ms. Thirsha

Excellent teamwork and very good follow-up with regular progress updates. Extremely satisfied with the coordination throughout the process. Our **3kW solar system** was installed smoothly. This team truly deserves encouragement. I will definitely recommend them to my contacts!

Mr. Siddoji Rao

I had an excellent experience with this solar company from start to finish. The team clearly explained every step, including subsidy paperwork, system capacity, panel layout, and fabrication requirements. S2S and their team were professional, knowledgeable, and kept me informed throughout the process. The installation of our *5kW Hybrid Solar System* was smooth and well-coordinated. Highly recommend them to anyone considering solar energy solutions!

Mr. Hariharan Venkitachalam

Thank you for the excellent service during my solar installation. The team was professional, efficient and answered all my questions. The installation of our *8KW On-Grid solar* system was smooth, and I'm already seeing the benefits in energy savings. Highly recommend Switch2Solar!

Mr. Sunil Ingalagi

I hail from Mumbai and have spent 45 years working as a Utilities Engineer focused on energy-saving projects. During a visit to my brother in Bangalore, we explored installing solar on his terrace and contacted Switch2Solar. S2S Team visited the site promptly, reviewed the electricity usage, and the team professionally handled the entire installation of an *8KW On-Grid Solar System*. The process was smooth, efficient, and well executed. I highly recommend Switch2Solar for solar PV installations and wish them great success in their endeavors.

Mr. Kishor Soali

Excellent service and great accountability. The team handled everything from start to finish with very little effort required from us. They took care of BESCOM documentation and subsidy processing and smoothly completed the installation of our *5kW on-grid solar* system. Highly satisfied with the service!

Mr. Kodandapani Akurati

Excellent service and quality materials provided for our *5kW solar system*. The solar panels and inverter supplied by Switch2Solar are very good. S2S Team were very polite, helpful, and ensured the project was completed smoothly at our home. The team was respectful, cooperative, and the pricing was competitive compared to other vendors. We highly recommend Switch2Solar for PM Surya solar installations.

Mrs. Karthikeyan & Umakarhikeyan

Thank you for the excellent service during my solar panel installation. The team was professional, efficient and answered all my questions. The process was smooth and I'm already seeing the benefits in my energy savings. I highly recommend switch2solar

Mr. Snil Ingalagi

Many more delighted clients
